Coach's Comments

“ It feels like we just started the season and here we are at the last home game. It might be last but for us the most important game of the season. With our catastrophic injury run over the vast majority of our campaign we don't feel like we ever really had a chance to be where we thought we might be when we put this team together in the summer. We are not at complete roster health now, but a lot better than we were for many months of the season, and we have seen when we put it together on game night that we can compete with anyone. We have had some success against Nottingham this season, and now it is a case of being up for a pair of games where we know the other team is going to be at their absolute best. We have to match it, and if we can do that we believe we have a chance to get to the Final 4 and remain in the hunt for the last trophy of the term. It is going to be a challenging couple of games, and we look forward to seeing what we can do when so much is on the line. Thank you for joining us all season and we hope we can send you away with win as we close out the home portion of our schedule. Have a great summer. ”
