“Thanks for joining us again. It was a fantastic performance from the team on Saturday night, and I couldn’t be prouder of the way the boys stepped up against a strong Nottingham Panthers side. It was possibly the best game we have played all season. Every game against them is a battle, and we knew we had to bring our best effort to come out with the win against a team going for a league title. We were on Panthers all night and Eamon also made some key saves at crucial moments, at first to keep us even and later to keep us in the lead. The energy in the Spectrum was amazing. Having that kind of support behind us makes a massive difference, especially in those tight moments when momentum can swing either way. This win is an important step for us, but there is a lot of work to do ahead of the playoffs. The league is ultra competitive. We are going to be playing a top 4 team in our quarter final, and we will need to be consistently at the top of our game if we are hoping to move on from there. Enjoy the regular season finale this weekend before we move on to the following weekend and the playoff quarter final.
