Coach's Comments

“What a difference a week makes. Last time writing this we were on a bit of a skid, managing frustrations and trying to pull ourselves out of the ditch then a week later we are 6 points from 6 and feeling pretty good about ourselves. I guess the moral of the story here is to try and stay somewhere in the middle, so you don’t get too down with the lows and don’t get too far up with the highs. Whatever the result, you have to be able to look to the next thing and not let whatever happened in the past determine what will happen going forward. For us that means a complete re-set to be ready for another challenging weekend, this time home to Manchester before visiting Coventry on Sunday. We need all the points we can get to try and finish as high up the table as possible as we move into the playoffs. Knock on wood, right now even with a few injuries we are still playing with a pretty full roster which we have not done all year. Hopefully we can continue to play well, night in and night out, and if we do we have a chance for putting in results. We hope you enjoy our retro jerseys on Saturday as we throw it back to the first days of the club.”
